

Further Study Of Water Problem In Area Assured

State Chamber Group Asks Wider Powers For Commission

Added assurance that California representatives in Washington are alert to the dangers of the proposed Washoe Project in its present form, was received in the form of telegrams to the Truckee Chamber of Commerce and Truckee Public Utility District this week from Senator Thomas H. Kuchel.

In the message Kuchel said: "I have arranged to join Senator Knowland and I hope Senators Malone and Bible in a bill granting consent to California and Nevada negotiations water compact affecting Lake Tahoe and Truckee, Carson and Walker rivers and authorizing appointment United States Commissioner."

This would indicate that no action will be taken on the project until after the compact is functioning and a commissioner named to represent the government in the controversy.

Main Opposition
Principal opposition to the project centers around proposals to dredge the Truckee River for two miles below the outlet of Lake Tahoe, and diversion of the California originating water directly into a powerhouse near Verdi, Nevada, through a five-mile tunnel.

The effect of the dredging on the level of Lake Tahoe as well as damage which might result to fish life in the Truckee basin and destruction of a water power potential in California as a result of the tunnel are the basis for much of the opposition which has arisen.

Chamber Acts

At the same time, members of the Sacramento Valley Council of the California State Chamber of Commerce Friday advocated a new interstate commission with broader powers, responsibility and representation to safeguard water levels of Lake Tahoe threatened by proposed federal projects.

In a meeting in the state capital, they spoke out in favor of state senate bill number 935, which authorizes a new interstate commissions composed of California and Nevada members.

A. J. Atran of Arbuckle, presiding at a meeting of the council's natural resources committee, said federal reclamation projects, including the Washoe project, propose to increase the dimensions of the outlet from Lake Tahoe into the Truckee River for diversion and storage purposes.

Atran said this diversion "could bring Tahoe waters below the minimum 6233 foot level under existing agreements between the two states."

He said that tremendous improvements had been made around Lake Tahoe and the maintenance of definite low and high level limits seriously affects these investments.

Permit Reissued For Resort Restaurant

TAHOE CITY—Dr. Ruth Moldenhauer, director of the Placer County Health Department, has reissued the department's permit for the Squaw Valley Lodge following an inspection of the premises.

Her action cancels refusal of a new permit last Friday on the basis sanitary regulations had not been complied with.

"Everything was in order at the inspection made Wednesday," said Dr. Moldenhauer. "Matters complained of when the permit was refused have been corrected."

Pete Lazzari Honored At Birthday Dinner

A group of friends from Truckee and Lake Tahoe Sunday night joined Mr. and Mrs. Pete Lazzari in observing the former's birthday. A dinner at the Star Hotel highlighted the evening.

Those attending included Mr. and Mrs. Paul Mudden, Mr. and Mrs. Gene Faulkner, Mr. and Mrs. Charles Cagle, Miss Aleta Faulkner, William Dugan, John Richards, Mrs. Janet Leary, Mr. and Mrs. Ralph Brethauer, Mr. and Mrs. Dave Medford, Mrs. Edna Bernard, Mr. and Mrs. John Rau, Mr. and Mrs. Alvah Hooper and Mr. and Mrs. Lazzari.

Home Damaged By Fire

The fire department was called to the home of Mr. and Mrs. Joe Estrada on the south side of the Truckee River Sunday morning when a defective flue resulted in a fire in the ceiling and roof of the building. The property is owned by Nick Sassarini. The loss to the building and contents was estimated at \$500.

Attend Luncheon

Joe Mattos, William Curran and John Richards yesterday attended a luncheon meeting of the Sparks Rotary Club.

Precipitation Still Below Normal As More Storms Due

The inch and a half of wet snow which fell in Truckee this week added only .47 of an inch of precipitation, the U. S. Forest Service reported this morning. This brings to 16.98 inches the total for the season, still more than three inches below normal.

Monday was the warmest day of the year with a high of 57 while a minus 1 was reported for Saturday morning.

The chain control was enforced over Donner Wednesday as a new coat of snow fell in that area. A total of 30 inches was reported at Soda Springs with 33 inches at the summit and 15 inches at Cisco. Truckee reported two inches.

The forecast is for more wet snow tonight and tomorrow in this region.

Loma Sorensen Wins Student Speakers' Contest At Meeting

Loma Sorensen, a senior from Tahoe Vista, last night took first place in the 18th annual Student Speakers' contest sponsored by the Lions Club. Tied for second place were Linda Loynd, Truckee sophomore and Robert Pankoke, senior from Truckee.

Awards were made to all three. The judges were F. W. Gaiennie, Dr. Ben King and Mrs. Everett O'Rourke. Tellers were Robert A. Saunders and Francis Robichaud and the time keepers Nat Quilici and Robert Seibold.

On March 23, at the high school, the zone contest will be held at 7 p. m. and E. V. O'Rourke will be chairman for the contest.

Earl Stice presided at the meeting last night at Donner Lake Lodge.

Winners Announced In Bee Spelling Contest

The Sacramento Bee spelling bee finals for the Tahoe-Truckee Unified School District were held at the high school Friday. Those participating were: Judy Vaughan, 8th grade, high school; George Kenyon, 8th grade, high school; Joan Decker, 6th grade, Kings Beach; Tom Peterson, 6th grade, Donner Trail; Tim Risden, 6th grade, Truckee Elementary and Trent Giannini, 6th grade, Tahoe Lake.

Winner of the contest was Judy Vaughan, and George Kenyon was designated alternate. The close race ended in a tie for second place.

Yesterday the high school ski program came to a close as the participants enjoyed a field day at Squaw Valley.

Five students at the high school gave their Lions Club speeches to a student assembly last week and Wednesday, Linda Loynd, Bob Pankoke and Loma Sorensen delivered their speeches to the Lions Club and their guests.

Republican Women To Meet In Nevada City

Republican women of this area have been invited to attend the Nevada County Republican Women's luncheon March 14 at 12:30 at the Episcopal Parish Hall in Nevada City. Mrs. Gladys Leggett Penland, national membership chairman and a group of state officers will be present. Reservations should be made with Mrs. H. J. Ray at Nevada City by March 11.

Red Cross Official Is Rotary Club Speaker

The Truckee Rotary Club met Monday evening to hear Mr. Neal, regional director of the Red Cross speak on the organization's activities here. He said that the Red Cross paid out more in the community than this area donated last year.

Alvah Hooper presided and John Ciardella was program chairman. Visitors and guests were Bill Randall, Chas. Strope, and F. W. Wilson.

Joins Staff

Mrs. James Walker has joined the staff at the local Bank of America.

Four Accidents Reported Here For Past Week

Kings Beach Man's Pickup Skids Into River Near Here

Four motor vehicle accidents, none of them serious, were reported by the highway patrol this week.

Carl T. Abbott, 41, Kings Beach, escaped serious injuries when his pickup skidded and plunged into the Truckee river at 9 a. m. yesterday five miles south of Truckee on Highway 89. The road was slick with snow and Abbott told Patrolman Roy Stallard he swerved to avoid a rock and lost control.

Lester Schneider, 35, Sacramento was cited by Patrolman Carroll Maynard yesterday when the tank truck operated by Schneider got across the center line and struck a car driven by Hans Madsen of Seattle on the Donner Bridge.

None was injured when a P.I.E. truck driven by Champ Wiffington, 41, Oakland, and a cattle truck driven by William Canepa, 42, Reno, collided west of Floriston yesterday morning. Wiffington was charged with speeding by Officer Maynard.

Cars driven by Frank R. Seelig, San Francisco, and Brad E. Peckham, Reno, collided Sunday night one mile east of Hirschdale. Seelig was cited by Patrolman Martin Sturcke for being on the wrong side of the center line.

Ancient Sales Slips Recall Early Days In Truckee Marketing

While sorting over some old trucked documents found in the old Truckee Shoe Store, now being remodeled for George Carter's coffee shop, W. M. Englehart, Sr., long-time resident, ran across some interesting sales slips which he had written just 50 years ago while employed as clerk in the old Truckee Mercantile Company store.

At that time, the Truckee Merc occupied the entire lower floor of the Masonic building, and was operated by the late Herman Wilkie, brother of W. F. Wilkie, then manager of the Wilkie Grocery Company, which was situated where the present Truckee Mercantile holds forth.

The grocery slips indicate a marked change in prices during the past 50 years. For instance one shows A. J. McPheters purchased a goodly supply of green peppers for 5 cents while a 25-cent bag of sweet potatoes was about all a small boy could carry. G. F. Davis was issued a charge slip showing the purchase of 10 cents worth of peaches and former Clerk Englehart declares the purchase was put up in a large container.

But to sort of even things off, Englehart said that at that time he received \$50 a month, worked from 6 a. m. to 9 a. m. with a half-day off Sunday, so after all things balanced, more or less.

Whist Party

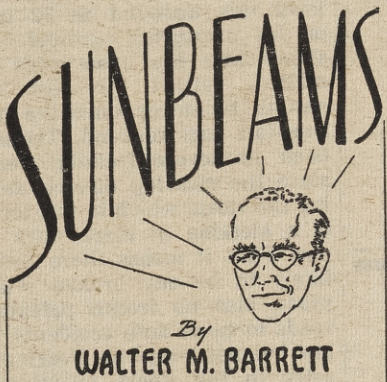

A St. Patrick's Day whist party, March 17, will be held in the Parish Hall of Assumption Catholic Church, to begin at 7:30 p. m. A pleasant evening, concluding with refreshments is planned by the committee in charge. They are Miss Audrey Welch, Mrs. Karl Kielhofer, Mrs. John Finnegan, Francis Robichaud. A small charge will be made.

Raneys Have Daughter

Mrs. Leslie Grow is visiting the home of her son-in-law and daughter, Mr. and Mrs. Wayne Raneys of Cloverdale, following the arrival of their daughter, Kathleen Marie on March 3. The little girl weighed a round 7 pounds at birth. The mother is the former Sharon Grow. Leslie Grow, the proud grandfather plans to go to Cloverdale this weekend, Mrs. Grow returning home with him.

CSEA To Meet

Members of the C.S.E.A. will hold a regular dinner meeting this evening at 7 p. m. in the Sportsman's Cafe, Ken Fuday will preside and all members are asked to attend.

This week has been officially set aside as Conservation Week and to the people of this region it should mean more than just another week. When we look around us and see the gradual but unmistakable inroads upon our natural resources, we can not help but wonder if Conservation Week should not be extended to include every week of the year and keep up constantly reminded of our duty to protect what remains. We know this community and others in similar locations would soon vanish and we know that interests other than ours would unhesitatingly take what remains without a qualm. We feel that these outside interests are entitled to any surplus or overabundance, but we must not stand still and see them kill the goose that lays the golden egg both for themselves and for us.

What ever you do make it a point to attend the firemen's benefit dinner at the high school Saturday evening. It will be a real treat and your patronage will go a long way to provide the district with a needed new fire house.

RED CROSS DRIVE SLATED TO OPEN HERE MARCH 14TH

The Red Cross fund drive will open here on March 14 to continue through the 31st with volunteers making calls to businesses and homes in the area.

Those named and the district they will cover are Mrs. Dave Rose in the Bank of America; Mrs. Foster Wilson, post office; Mrs. C. Felestinia, Floriston; Mrs. A. Couillard, Soda Springs; Mrs. O. Fredricks, Norden; Mrs. Elden Tonini, Gateway business section; Deane Gardner, Gateway Park, Mrs. M. Sturcke, West Main street; Mrs. R. Bick, High street, west; Miss E. Dominguez, East River street; Mrs. Glenn Miller, West River street and Riverside Drive; Mrs. K. Kielhofer, Church street; Mrs. J. Lambres, Donner Lake; Mrs. Hap Warnke, Donner Ski Ranch; Mrs. Rex Thomas, business district.

Sugar Bowl Preparing For Major Events

SUGAR BOWL—Preparations are well underway for staging the North American Championships at Sugar Bowl, April 16 and 17 and the Silver Belt Invitational Trophy race on April 24.

Applications for entry in the two major events are going out during the next few days, Walter Haug, manager of the resort, announced and it is indicated that both will be major attractions to wind up a most successful winter sports season.

Members of the Sugar Bowl team which won third place in the Sacramento Bee race held at Squaw Valley Sunday were Nancy Hellman, Ann Bridgman, Dick Scibird and Bob Arthur.

Celebrates Birthdate

Truckee Chapter No. 116 celebrates its 63rd anniversary March 15th. Chairman for the evening is Mrs. Azad Melver with Mrs. Ida Crandall and Mrs. Annie Tonini. The program will be put on by the past patrons, Emma Gargon, the surviving charter member resides in Auburn.

Back from Trip

Mr. and Mrs. Charles Heller are back at their Variety Store after a visit to San Francisco.

In South

Sergeant Ed Freeman of the highway patrol, is spending this week in Los Angeles where his father is reported quite ill.

Back from Hospital

Mrs. Frank Fox has returned to her home following a minor operation at Reno.

Firemen Expect 300 At Benefit Dinner Saturday

Program Arranged For Big Benefit Affair On Saturday

Indications are that the benefit dinner and program for the Truckee Volunteer Fire Department Saturday night at the cafeteria of the high school will be an outstanding success both for those attending and as a means of providing funds for the erection of a new fire house.

Chief N. F. Dolley reported at the meeting of the department Tuesday night at Cozzi's that advance ticket sales are exceeding expectations.

The dinner will be served between 6 and 9:30 p. m. with entertainment provided at 7 and 9. A second benefit, for the same cause, will be the cocktail party and dancing at Cozzi's between 6 p. m. and 2 a. m. The band, which will provide music during the dinner, will also play for dancing at Cozzi's.

This musical group, which is donating its talents, consists of Robert Madge, Victor McLane, James Pringle, Bud McDaniel, Georgianna King and Hugh Smith. Russell York will be the master of ceremonies at the dinner and numbers scheduled include vocal selections by James Pringle and Mrs. L. D. Nelson, a violin solo by Georgianna King and a skit by the cast previously named.

Dolley said that the four chefs, Earl Brown, Reg Smart, Hal Welch and Mrs. Stanley Zwarg are preparing a prime rib roast which will be accompanied by all the trimmings including a tossed salad, vegetables, hot rolls, drinks and dessert.

For this evening of fine food and entertainment a charge of \$2.50 for adults and \$1 for children under 12 years, will be made, the entire proceeds to be used to finance the materials for the new fire station.

From present indications more than 300 will attend the dinner and preparation, Dolley said, are being made for even a greater number.

LARGE CPOWD AT WINTER CARNIVAL

An estimated 500 members and friends attended the sixth annual Winter Sports Carnival held in the Veterans' Memorial building here on Saturday night by the Bay Area Ski Federation with Tony Dondoro of Oakland as master of ceremony and Tilly Fairclough of Palo Alto reigning as queen. On Sunday the clubs held their skiing events at Donner Ski Ranch on Donner Summit.

The humorous skits put on by the club groups were a highlight of the evening and the Viking Ski Club was judged the winner by Jack Woodward, Charles Osburn, Robert Leamon, Al Cavello and Mrs. N. F. Dolley. The Oakland Ski Club was a close second for its hilarious contribution to the affair.

Hurt By Fall

Hap St. Clair, well known local man, who has been responsible for much of the street cleaning and a lot of the snow shoveling along the main street the past few weeks, is currently walking with the aid of crutches as the result of an accident in which he injured one ankle.

City Visitors

Mr. and Mrs. M. E. Brown and her mother were San Francisco visitors last week.

Cub Reports

Dick Ingalls of Floriston reported that Cub Den, No. 1, held an election last Saturday for leaders with Denny Leisure heading the group assisted by Salvador, Ingalls being named secretary. The meeting day was changed from Saturday to Tuesday.

In Hospital

Mrs. A. B. Polyanich was undergoing treatment at the Tahoe Forest Hospital during the weekend, but is reported to be well on the way to recovery.

Last Rites Held At Oakland For George D. Oliver

His many friends here and throughout the state will regret the death of George D. Oliver, pioneer eastern Nevada County resident and for many years general manager of the vast lumbering industry at Hobart Mills.

Funeral services for Oliver were held at Oakland last Friday.

He is survived by his three sons, Thomas K., Charles M. and George D. Oliver, Jr.; five grand children and seven great grandchildren. A sister, Mrs. Jessie Costella resides at Atlanta, Ga.

The late lumber head was a member of Truckee Lodge, No. 200, F. and A. M. Donner Chapter, No. 39, Royal Arch Masons, Gateway Council, No. 13, Royal and Select Masters; Nevada Commandery, No. 6, Knights Templar and Islam Temple Mystic Shrine.

TAC SKIERS TAKE SECOND PLACE IN FAR WEST MEET

In the Far West Ski Association's jumping and cross-country championships held at Bijou on Sunday, the only local T.A.C. members to compete did quite well for themselves. Herb Copeland took second in the class "A" division behind a perennial winner, Chet Zoberski, but showed Zoberski and the crowd the longest jump of the day, at 125 feet. Jimmy Harris, a local boy who shows great promise, won the jumping championship in class two, for junior boys. This meet brought statewide competition and the boys are to be commended.

These same two men will again represent the T.A.C. at the Far West Ski Association sanctioned meet, sponsored by the Auburn Ski Club, at Cisco on Sunday, March 13 at 1 p. m. It is hoped a contingent from this area will be on hand to cheer the boys on.

In the Sacramento Bee race held at Squaw Valley on Sunday, the T.A.C. team took a well earned fourth place, behind Squaw Valley Lake Tahoe, Reno and the Sugar Bowl. Members competing for Truckee were Bill Campbell, Norm Saylor, Mary Ann Tonini and Lynn Wiggins.

Conservation Of Human Stressed By School Here

This week, March 7-11, has been set aside as Conservation Week. Although, in the high school, conservation is taught and practiced throughout the year, it is during this week that special emphases is placed on conservation education.

"Conservation is not only forests, soils, and wild life; one of its most important and most neglected factors is the conservation of human resources," the students were told. In the biology classes the study of human conservation was preceded by a study of foods and diet and a study of the enemies to health.

In Core 10 an entire semester has been dedicated to the conservation of human lives from destruction by the automobile. Safety is taught throughout the curriculum.

Stice Heads Group

Earl Stice was named chairman of the Red Cross here at a meeting held Monday evening in the justice court. Dr. L. D. Nelson is vice chairman; Mrs. Helen Trask, secretary; Walter Hensen is treasurer and publicity chairman; Mrs. Walter Loynd, swimming chairman; Mrs. Rex Thomas, disaster chairman; Mrs. G. Miller, blood donation chairman.

Witness Blast

A number of local residents Monday morning at 5:20 o'clock witnessed the flash from the explosion of the huge atomic bomb set off in southern Nevada. The display was seen for over 1000 miles and shook many cities in 10 western states.

Club Meets

Mrs. John Grackl entertained members of her card club group on Tuesday evening, serving refreshments after the games.

Big Playoff For City Basketball Honors Tonight

High School Loses Last Chance To Get In Win Column

All six of the Truckee City League teams, sponsored by the Truckee Athletic Club, have been paired for the first annual tournament to be held at the high school tonight, Friday and Monday.

Dave Morey, president of the TAC, will present the trophies and awards on the final night, it was announced by Al Wakefield, chairman of the basketball committee. Opponents, game times and brackets follow:

THURSDAY, MARCH 10
Upper bracket: 7 p. m., Donner Club vs. Lions Club.
Lower bracket: 8:15 p. m. St. Louis Cafe vs. Tel Cos.

FRIDAY, MARCH 11
7 p. m.: Semi-final between 20-30 and upper bracket winner.
8:15 p. m.: Semi-final between American Legion and lower bracket winner.

MONDAY, MARCH 14
7 p. m.: Consolation game between Friday's losers.
8:15 p. m.: Championship game between Friday's winners.

The American Legion sewed up the championship in the Truckee City League basketball play with a 48 to 36 win over the 20-30 Club Monday. The Legion five finished out its schedule with a 9-1 slate and gained undisputed honor of being the first team to have their name placed on the revolving trophy.

Al Wakefield, Legion forward, who has sewed up the scoring crown in the league, hit for 19 as his team got an early lead over the 20-30 and held it all the way. Ciardella and Jackson scored 14 and 10 points respectively. Willie Curran led the losers with 13 tallies.

In the preliminary game, the St. Louis Cafe took third place in the league with a 73 to 39 victory over the Tel-Cos. Mike O'Rourke led the cafe with 25 points with Lockhart high for the Tel-Cos with 14.

Last Thursday the Athletic Club's team went to Fallon where they were again defeated by the Capucci-Weavers, 34 to 59.

Team	W.	L.	Pct.
American Legion	9	1	.900
20-30 Club	8	2	.800
St. Louis Cafe	5	5	.500
Donner Club	4	6	.400
Lions Club	2	8	.200
Tel-Cos.	2	8	.200

The Tahoe-Truckee Wolverines dropped their last two opportunities for a win for the season as they fell before a Smith Valley Club Friday night to the tune of 52 to 76, and then played host to the Loyalton Grizzlies in a 37 to 55 loss.

The Smith game was the highest scoring tilt of the season for both clubs as the Bulldogs pulled into a halftime lead of 44 to 28. By the end of the third period the count lead 58 to 41 in favor of the Smith team. Mike Vieu and Clayton Spinning were consistently finding the range on their jump shots to keep the Wolverines in the ball game. Vieu finished with 14 points, while Spinning was high with 16 counters.

Friday's game was somewhat a disappointment to local fans as the Wolverine squad could never

Continued on Page 6

Honest Customer Pays Bill After 10 Years

C. Edmunds, manager of the Truckee Public Utility District, is convinced that there are a lot of honest people in the world.

This conviction was strengthened this week when a former Truckee resident sent a check for \$13.50 in payment for utility service received nearly 10 years ago.

In an accompanying letter, the woman expressed regret for the delay but explained it by saying her husband had died leaving only a small estate and that she had been living frugally in an effort to pay off debts. The payment accompanied a bill which had been rendered in 1947. The payee now resides in New York.

Driver Sentenced

Duane Lyle Thayer of Stateline, was sentenced by Judge F. W. Wilson this morning to serve 90 days in jail on a drunk driving charge, with an additional 90 suspended for three years. It was said to have been Thayer's fourth conviction on the charge.

At Bottling School

William Englehart, Jr., returned last week from San Francisco where he attended a bottling school in the interest of his local Coca-Cola Bottling Company.

NEWS NOTES FROM TAHOE

By Ethel Joslin Vernon
Box 636, Tahoe City.
Telephone Tahoe 62

After last week's snow storm of about 36 hours' duration, clear, spring-like weather returned again to Tahoe with thermometers gradually rising a little as each day passed. Now as another weekend passes, good weather continues unchanged, and roads and highways of the region have cleared once more to good travel conditions.

Our weather observer, Arthur Frodenberg, recorded the snow level this weekend as 32 inches on his measuring ground. This shows that the snow pack has melted, settled, or just plain shrunk 14 inches since the heavy snowfall last weekend. There has been no severe freezing weather since the clearing directly following the storm which in this locality is a blessing in more ways than one. First it means there are not likely to be any broken water pipes, also no frozen patches on roads to cause auto accidents. And last but not least—no freezing disaster to the flocks of migrating birds that had come in early because of so much mild, spring-like weather.

We can't help remembering the early March of winter 1929-30, when there'd been no snow on the ground for weeks and the grass was starting to grow on the meadow (golf course now) and flocks of robins took spring for granted and came home for the season. Then came a snow storm—18 inches—followed with temperatures below zero for two or three days. And great numbers of robins lay dead around the edges of the meadow. We suppose they were frozen while roosting on the exposed low boughs of trees and on fences. Anyway it didn't happen this time.

We hear that Mrs. Carl Becholdt, Jr., is again in her lakeshore home after a very short stay at the Tahoe Forest Hospital. Both she and her newly arrived son, Patrick Kevin, are reported doing well and Patrick is said to be putting on the healthful ounces daily. Congratulations, Elsie, to you and all your fine family of six.

Honoree at a birthday party one day last week was young Chris Beavers who celebrated his sixth birthday. His mother, Mrs. Solvie Beavers, prepared refreshments for Chris and eight young guests, and included a large cake with the proper number of candles. Following the luncheon there were indoor games and the fun of opening presents. Youngsters who enjoyed the party, besides the honoree were his young sister, Nancy, Joyce Anderson, Marty Spitsen, Janet and Barbara Broyles, Darlinda Stark, Johnnie Carnell and Susie Jackson, Chris' grandparents. Mr. and Mrs. Sigvard Ronning were also on hand for the celebration, having motored up from their home in Palo Alto for a few days visit with their daughter and family. His father, C. S. (Butch) Beavers, had to miss the party this time as he is employed in Las Vegas this winter and can only visit his home here on weekends.

Mrs. Louise Geier, who has been chairman of the American Red Cross drive in the Tahoe area for the past seven years, is again contacting the people here, and asking that they give generously to this very worth while cause. Most of the summer residents have already received letter soliciting funds for the Red Cross, and Mrs. Geier said their response has been most gratifying. She said that local all-year residents will receive requests for donation soon. Mrs.

Geier has been a staunch and earnest worker on various charitable projects here for the past several years, such as gathering supplies and clothing for the needy overseas as well as those closer to home.

A group of Y.A.F. (Young Adult Fellowship) members, from the First Congregational Church, Post and Mason streets, San Francisco, arrived by bus late Friday night at Tahoe Inn on a weekend vacation jaunt. It was a mixed group of 19 young people in charge of Margaret Howland of that city. On Saturday the group enjoyed the skiing at the two nearest snow sports areas, Granlibakken and Squaw Valley. On Saturday evening a few of them visited the Nordend resorts, while others enjoyed the music and firelight in the inn. On Sunday evening, after a pleasant sunny day about town, they boarded the bus for the city, tired but happy.

On Saturday evening A1-C. Florence Vernon of this city was a specially invited guest of Reserve Sqd. 9368 of Reno, at the annual Air Force dinner party. The place was filled to capacity with Air Force Reserve members and their guests. Miss Vernon introduced as her guests on this occasion her sister and brother-in-law, Mr. and Mrs. Harold Farr, and Mrs. Ruth Droste, a former 1st lieutenant and physio therapist during wartime.

The squadron's lieutenant colonel, George Warren, made announcement of Miss Vernon's enlistment in active duty, and commended her good work during the past year in the in-active reserve. Colonel Warren also announced the approaching retirement of M-Sgt. Wm. E. Nance of this squadron, who was honor guest at the party, highly praising him for his many years of service in the Air Force. Sgt. Nance has acted as liaison officer in the reserve squadron during the past four years, and has been very busy in recruiting work. The squadron presented him with a top-notch fishing rod and spinning reel as a retirement gift. Following the dinner there was music and dancing till

The first dahlia seeds were sent from the Mexican Botanic Garden to the Royal Garden in Madrid in 1789.

a late hour.
Tahoe City's busy bakers, Mr. and Mrs. Leonard Bury, took a few days off with the coming of the weekend—their first bit of vacation throughout the winter.

They motored to San Francisco on a combined business and pleasure trip. Son Donnie accompanied his parents, and the family expected to be back on the job again by Wednesday.

Its Always TIME To CHECK ELECTRICAL WIRING

Look over those appliances and cords—check switches and connections—Be sure they are safe—Replacements cost so little and may prevent a disastrous fire.

For expert installations and the best in wiring and appliances, call on us.

NORTH TAHOE

By JUDGE HARRY CHARRISON

There were a lot of people up here over the weekend. Golds even had the Silver Crest opened up. Had a phone call from Rena Matthews who is in Roseville at the moment. "What is the weather like Is there much snow around our place?" Of course I said, the most gorgeous weather you ever saw and they said, OK, we shall be back pretty soon, just can't wait.

The first time I had been to the basketball games in Truckee I saw the Juniors play wonderfully well, only beaten by one point, but the Seniors were beaten by a score of 33 to 53. Wait till next year the Juniors of this year will be on the ball, we hope.

Had a demonstration of the new equipment of the North Tahoe Fire department last Sunday. Slowly, but surely, they are becoming a first-class fire fighting unit. New stretcher, new wire cutting rig, three new ladders of the aluminum type, a 20foot extension ladder and the truck being in care of Curly Mason is kept in excellent shape, all the time. Max Kreuger is very pleased with the improvements.

Mrs. M. C. Hart has returned from San Jose and will spend her time between Reno and her property at Tahoe Vista.

IT'S WISE TO ADVERTISE!

Max, of course, is the fire chief, and Curly is assistant.

They are keeping the Crystal Bay Club busy these days. Now there is a big meeting of the ladies, wives, etc. of the V.F.W. when they will attempt to organize a ladies auxiliary. Mrs. Fulstone will be the main speaker and the affair will be held on March 17 at 8 p.m. It is hoped that a large attendance will be on hand.

A great big birthday party will be held at the Carpenters Hall, Kings Beach, tonight at 7 p.m. There are between 30 and 40 friends from their school. There will be lots of fun, and the stars of the event will be Miss Karen Decker and David Charrison Ashton. There will be dancing and games, and of course lots of refreshments. Happy birthday, Karen and David.

Carl B. Thorwaldsen has certainly got an early start to finish his cottages that he started in Kings Beach last fall. They are a real asset to the community.

Just the very thing we have been waiting for. On April 1 Lake Tahoe will become a year 'round fishing center. You can imagine how the fishermen feel about it. It is one of the best things that has happened to the year 'round residents. Those that bought Nevada licenses have had wonderful luck, as the lake has been made to order for boating or fishing from the shore. Some of those that caught some big ones are Ned Malla, Bud Mandeville, Joe Delory, Walt Mandeville, Mike Konazowich

and several more of our locals. Lots of credit goes to representatives from this area, Clarke Powell and Bake Frye.

If that isn't something, Patricia Potts presented her husband Gerry with a beautiful baby boy on Thursday, March 3, in the afternoon. Six pounds eight ounces, and they have named him Russell. Isn't that nice? The Potts are at Burrough's resort, Tahoe Vista.

Yes, spring is just around the corner and when the Rayburns and Suttons come back that's a sure sign. Glad to see them all. Oh, yes, Julius and Neva Gold are back.

The students speakers contest, sponsored by the Lake Tahoe Lions Club will be held on Tuesday evening, March 15, at the Crystal Bay Club at 7:30 p.m. This will be ladies' night and we invite members to bring their friends. I understand the speakers are to be Diana Abbott, Nickie Wing, and Barney Gilmore. A dandy threesome, I think. Phone Dave Ashton for reservations.

That Walt Mandeville family is at it again. Now its Walter, Jr., has broken his leg. His dad was instructing him in the art of skiing. You can't treat your son that way. Wait. If I recollect your wife broke her arm while you were escorting her and by the way we are very happy to hear she has shed the cast. Hurry and get rid of yours, Walter, young man.

If you don't think the folks have a good time just take a gander up to the Gun Club on Wednesday nights and watch the archers. They will be glad to see you. And then come Saturday night take a trip to the Carpenter's Hall and either watch or join in with the Tahoe Twirlers. There are lots of wonderful trout just out of the lake one hour, and on the table of the E. E. (Skeet) Thompson's and their guests, Mrs. Malla and son, Ned.

Attended a meeting of the judges of Placer County last Monday. It was a very enthusiastic one. Lots of important business was transacted and it is not going to be so easy for the traffic offenders from now on. That's the only way to curb this wanton killing of innocent motorists, just for a minute of time. This has to come to a halt. A reckless driver is every bit as bad as a bandit holding a gun at you and sometimes worse. So be more careful and don't be a criminal on the books of justice.

Doug Free of the Dunes of Tahoe Vista is making some more alterations or improving. In the front house Paul Wright has been doing the work and tis going to be swell.

I forgot to say last week that Earl and Mrs. Nelson are back at Kings Beach after their long trip east. Earl says that cold and windy weather and icy pavements back there are a nightmare. Why Tahoe is summer all year 'round compared to that, he says.

We were sorry to hear of the very bad accident that Bert Cochran had, at last report he was holding his own, but his injuries are still critical. He was well known in this area having run the Pines, Kings Beach, also the Log Cabin, Crystal Bay.

Indians reported to the fish and game that there was a balloon out on Lake Tahoe, with a man inside, so Joe DeLory called Ned Malla and out they went and after a long search spotted the balloon and coming up to it they found there was nobody in it, but found transmitter radio all intact inside after getting it ashore took it to the fish

and game who in turn took it to other 6-pound trout in the bar-

Stead Air Base and Ned got an-

gain.

School News

TRUCKEE
Kindergarten: In music we have been doing very simple folk

dances. During art period this week we have been working on brush painting. The work of Kathy Braasch and Lenny Vind is displayed in

the room. Original cut-and-paste pictures were made by Donald Whiteneck, Karen Frates, Karen Hedlund, Sandra Miller, Twila Lee Barber, and others.

First Grade (Mrs. Croxen's): The first grade has been learning songs of spring. We are going on a walk soon to look for pussy willows.

First Grade (Mrs. Bissett's): Our first grade has been studying proportion and perspective to help us when drawing and painting. We made cut-paper old-fashioned bouquets for our mothers.

Second Grade: We saw the film "Design to Music." Later we listened to records, and drew designs, and hung them on our bulletin board.

Third Grade: Songs for the winter season have been enjoyed. It will soon be time to introduce songs about spring and summer.

Fourth Grade: We have seen two film strips on art. Mary Ann Miller has a water color picture on the bulletin board.

We take turns playing the auto-harp as part of our flag salute. Those who have played the last four weeks are Shirley Guymer, Janice Roth, Joey Straub, and Darby DeLisle.

Fifth Grade: Richard Donnis and Joaquin Fuentes have been doing excellent work in art, both of them having contributed many fine pictures to our study of the pioneers.

Everyone had a fine time at our recent dance at the Tahoe Lake School. We decided that we are going to put on a school dance, too.

Sixth Grade: Timmy Ridsen won the annual spelling contest from other contestants from the fourth, fifth and sixth grades. His award was a gold plated pin. Clark Kidd and Cynthia Reynolds finished in second and third places, respectively. The other class winners were Michael Kenyon, David Panke, Michael Robichaud and Barry

Leamon. At the district contest held at the high school Timmy Ridsen placed third, missing only three words.

TAHOE LAKE SCHOOL
Tahoe Lake School observed Conservation Week, March 7-11, with varied activities throughout the week.

Erwin Single, State of California game warden, conducted an assembly program on Thursday, March 10, at our school. He presented a motion picture on pheasants which proved very interesting and entertaining to all the children.

KINGS BEACH SCHOOL
Our school put special emphasis on conservation during Conservation Week. The lower grades had stories and discussed what conservation meant to them.

Kindergarten and First Grade: Several children were on trips during the weekend. Carl Christensen and his family visited the bay area. Vern Wing and his family were in Loyaltan and Linda Fox went with her family to Los Angeles.

Our room won the attendance check for the last PTA meet.

Second and Third Grades: Karen Critchley brought a hand-carved fork and spoon from Switzerland which are on the exhibit table and Raymond Hill brought some sea shells to share with us.

David Mills parents are away on a trip and while they are gone, David is staying with Mrs. Wing.

The class enjoyed the colored brochure which Suzie Lucas sent from San Diego.

Gregory Thompkins is recuperating from a tonsilectomy.

Jerry Hill will return from the Washoe Hospital next week after being a patient there for the past 10 days. We wish him a speedy recovery.

Fourth, Fifth and Sixth Grades:

TAHOE CHAMBER HOLDS MEET TO DISCUSS PROJECTS

TAHOE CITY—The monthly luncheon - meeting of the Lake Tahoe-Sierra Chamber of Commerce was held on Friday at the Tahoe Inn, with an attendance of 16 officials and directors. After routine business was disposed with the session was mostly concerned with invitations to enter exhibits in two major coming events. On the matter of entering an exhibit in the Los Angeles County Fair in September, the directors proposed that they budget for a tri-county exhibit. As the south end of the lake is in El Dorado County, and Tahoe's adjoining counties have a common interest in agricultural and recreational advertising, it was the opinion of all present that there could be an outstanding exhibit and a guarantee of qualified people to man the booth.

On the second major project, that of entering an exhibit at the Sportarama in Sacramento on March 25, 26, and 27, it was decided that there is too little time left now to properly prepare an exhibit, and that it may not be necessary since the chamber already has a well stocked booth at the Sports and Boat Show now in progress in San Francisco.

The staging of the Sky-High Gold Cup races here this summer was discussed at the meeting, but no action was taken at this time pending word from Fred Main to say that he will again head the regatta committee.

Our class enjoyed an excellent film on Costa Rica. The film showed the way bananas are taken from trees and shipped to the United States.

DONNER TRAIL
This week we are putting our cut-out countries on a backboard. We are also making plans to put in the equator and the other imaginary geographic lines.

Two of our best skiers, Jimmy Schull and Raymond Rybalacava, are not able to ski because of injuries during the week. We wish them a quick recovery.

The boys and girls would like to thank Jim Baker for his help in our ski program this year. We hope to see him again next year.

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highway—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total sales.

DID you think you couldn't afford the price of a new 1955 Buick?

You certainly can—if you can afford *any* new car. And we proudly show our price here to prove it.

For the *delivered* price of the Buick SPECIAL shown here is sharply competitive with those of the three best-known smaller cars. *It's a price made even lower by the new transportation charges to the West—lower, in fact, than those asked for the smaller cars just a few months ago.*

Buick Sales Are Soaring

That's one big reason why Buick production and Buick sales are hitting all-time record highs today—and why Buick is outselling all other cars in America except two of the best-known smaller cars.

But an even bigger reason is this fact:

The price you pay for a Buick buys you a lot more automobile than the same money buys elsewhere.

It buys you big-car room and size and

comfort and brawn. It buys you Buick styling, Buick power, Buick handling, Buick ride steadiness—and the fun and pride and satisfaction of bossing the hottest car of the year.

And it buys you the widest choice in the industry today. For there's a Buick to fit any price range you name—the low-price SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

So why not come in and see how easy it is to swing the Buick beauty you've got your heart set on? Then you'll see why the thrill of the year is Buick in a lot more ways than one.

DID
YOU
KNOW—

—that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
—that the Buick SPECIAL is priced below some models of the three best-known smaller cars?
—that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

CONSERVATION WEEK OBSERVED AT SCHOOL

TAHOE CITY—The Tahoe Lake School is observing Conservation Week, March 7-11, with varied activities throughout the week. Erwin Single, game warden, has offered to conduct an assembly program on Thursday, March 10, at the school. He will present motion picture on pheasants.

California is a state rich in natural resources, so it is very necessary that a program of conservation education provide opportunities for our younger generation to develop proper attitudes and enter into the real spirit of conservation. Conservation is defined as the wise use of natural resources for the benefit of all the people on a permanent and continuing basis. With this definition in mind, the classrooms of Tahoe Lake School present their programs for Conservation Week.

Programs for the week as presented by teachers of the various grades follow: Kindergarten and First Grade—"Our class is studying about fires and trees. We are working on construction paper displays of green forests and a burned forest. The use of matches is being discussed—who should use them—how, when and where. The construction and destruction uses of matches will also have a place on the "Happy Room" agenda."

Second, Third and Fourth Grades—"We are reviewing water

conservation in the Sierra, with related discussions on snowfall levels providing water sources for the upper lakes, which in turn help the Nevada farmlands. This week we are discussing the prevention of contamination in the water of Lake Tahoe. The fourth grade boys are making maps of Lake Tahoe and the rivers of this area."

For Fifth and Sixth Grades a movie entitled "Natural Resources of the Pacific Coast," will be shown Monday, March 7, to start Conservation Week program. This year these grades are going to concentrate on soil conservation, for this natural resource is one of the greatest wealths of California. Studying modern California for social studies, they are learning the value of good soil to our state. Through the study of the conservation of soil they are also concerned about the conservation of water, and the numerous dams that have been constructed throughout California. Also about their beneficial contributions to the people of our state.

Teachers now employed at the Tahoe Lake School are as follows: Kindergarten and First Grade, Miss Geraldine Bean; second, third and fourth grades, Mrs. Lillian Farry; fifth and sixth grades, principal, Mrs. Ruth Roberson.

Lyman Griswold who was stationed at San Diego while a U. S. Navy lieutenant has returned to civilian status this week and temporarily living in Reno.

The carburetor in your car or light truck "breathes in" air which carries specks of carbon and gum that stick to carburetor walls. These deposits choke off air to the engine—cause 1 out of 3 repair bills. "Detergent-Action" Chevron Gasolines stop carburetor deposits with the very first tankful!

End rough idling, stalling, boost power, save gas . . . "Detergent-Action" restores the carburetor in your car or light truck to factory-clean condition . . . and keeps it clean while you drive. Yours in both Chevron Supreme and Chevron Gasoline.

WOMEN'S CLUB AT TAHOE HOLDS MEET

TAHOE CITY—The Women's Club of Tahoe held their monthly meeting at the Pfeiffer House last Thursday with 33 members and four guests present. Mrs. Louise Geier presided in the absence of both president and vice president. The secretary's post was still handled by Florence Vernon, who is resigning all her positions here this week to re-enter active service in the Air Force Reserves.

The short business session followed a mid-day luncheon, and the later hours were occupied with card games in which the ladies took their choice at bridge or soma. A high score of 3250 was made in the bridge game by Mrs. Cathryn Levy, while Mrs. Ruth Droste was low with 1115. In soma the high team were Beulah Carnell and Laura Wilson, with a score of 6700, while Betty Ball and Virginia Wilson were low with 2275. All high and low score winners were awarded boxes of scented stationery as prizes, and the club presented Miss Vernon with a going-away gift.

A large birthday cake served

with the luncheon, honored the March birthdays of five of the club members. They were Cathryn Levy and Marty Riek, whose joint natal anniversary was on Thursday, Miss Vernon and Ruth Droste, each having a birthday on March 14, and Laura Wilson who celebrates March 9.

Visitors at Thursday's meeting were Mrs. Gladys Hill of Pasadena, a guest of Mrs. Elizabeth Streeter; Mrs. Virginia Wilson, sister-in-law and guest of Laura Wilson, and Mazie and Myrtle Carnell, guests of their mother-in-law, Mrs. Beulah Carnell. Mrs. Stella Watson, a member who winters in Clarksville, motored up from her winter home on Wednesday to be on hand for Thursday's club meeting. She brought as her guest, Mrs. Merle Rose. Mrs. Watson brought fresh flowers which were used as table decorations at the luncheon, from

her valley home where the early spring is now well advanced.

JOINS RANSOME STAFF
Al Jones, who has been with Ransome Company at Reno since last September and prior to that in the heating business for himself, has joined the staff of Ransome Company here in the capacity of serviceman-salesman. Manager Bud McDaniel announced, Jones, who resides at Donner Lake is a heating expert, McDaniel said.

Attend Show—
C. E. Osburn and E. C. McReynolds Sunday flew to San Francisco where they visited the National Sports and Boat Show being held at the Civic Auditorium. They returned the same evening.
Back from Mexico—
Mr. and Mrs. Dan Anderson of Tahoe Vista have returned home after a vacation trip to Mexico.

Brockway Rotary Will Hold Easter Party; Officers Are Named

KINGS BEACH—Asa Abbott, president of the Rotary Club of Brockway presided at the regular meeting of the club, Tuesday evening, at the Crystal Bay Club.

During the meeting Dr. E. C. Hageman was inducted into the club and Barney Gilmore was made an honorary member. He entered into the activities and aims of the club by giving a most interesting talk on the "Activities of the High School."

Marion Dodd, program chairman, showed a film entitled, "Years of Progress," loaned through the courtesy of the University of Nevada.

The members voted to give the annual Easter party for the local children on April 10 at the Brockway Theater. Tom Lucas, past president and owner of the theater has promised to procure a good picture for the party. Members of the committee are Roy Porath, Barney Gilmore, Hillard Holmes, Bud Mandeville, Rube Welch and Ray Plunkett.

Earl Nelson was appointed chairman for the "On to Reno" district conference to be held on April 24-25-26. The following members to serve on the committee with him: Ray Plunkett, Hillard Holmes and Larry Streep.

At the meeting held on February 28, Bob Wray of the Tahoe City Club showed the film "Chain Saw Turns Trees Into Money." Also at this meeting the following members were nominated and elected to office for the year 1955-56: W. D. Randall, president; H. E. Brooks, vice president; E. J. Stokes, secretary; L. S. Streep, treasurer; and Asa Abbott, Ray Ehlers and Fred Schultz as directors.

CHURCH NOTES

Sunday evening at 6:30 the Methodist Youth Fellowship will be privileged to hear Rev. Elihu Branch of the Bethel African Methodist Episcopal Church. He will speak to the youth about "The Beliefs of a Christian." Dorothea Frey and Vicky McKurtis are on worship, while Janice Notely and Diane McGihon are working on refreshments.

Family night comes again on Friday night, March 18, to the Methodist Church here in Truckee. A potluck supper will commence at 6 p.m. with fun, singing, worship and discussion following. There will be a filmstrip shown, entitled "Democracy Is Home-made," which should prove inspiring and informative. Those desiring to know what to bring for the supper please call the parsonage.

Your Chamber Of Commerce

From the President's Desk

Your Chamber helped sponsor a very successful evening this past Saturday in the bay area's Ski Federations Snow Carnival at the Legion Hall. Our visitors were so pleased with the arrangements that it promises to be an annual affair here in Truckee. I do believe that on such occasions all local functions should be curtailed. I wish to personally thank the Legion and the Outdoor Sportsmen for their fine cooperation in making this evening one to be remembered by all who attended.

Let's not forget our spring cleaning program with the advent of a succession of warm days rapidly melting our snows. It's a good time to do some constructive thinking and planning toward a cleaner, more attractive community this summer. This is one way to attract more fishermen and vacationers to our area.

Your Chamber meets this coming Tuesday evening at the High School Cafeteria, 7:30 p.m. Plan on being there for an interesting informative evening, and bring along your ideas for a bigger, better, and more prosperous Truckee Donner Lake area.

I talked with Senator Johnson Friday in Sacramento, concerning the Washoe Reclamation Project. To those of you who are familiar with this project, I have been reliably informed that no federal action will be taken by our congress until the California-Nevada inter-state water compact commission has been formed in both our states, and has been given a chance to study this project and make its recommendations to the congress of the U. S. I will endeavor to explain the latest developments in this very vital project at our next Chamber meeting.

I am happy to report that our membership committee is meeting with almost unanimous success in their drive for a complete membership this year. If you haven't been called on yet, rest assured that we haven't forgotten, and will be in to see you soon. Don't let this stop you from attending our meetings and taking part actively in your Chamber.

—Hal Welch

Squaw Valley Skiers Capture Bee Trophy

SQUAW VALLEY—Squaw Valley-Lake Tahoe Ski Club's No. 1 team Sunday won the ninth annual Sacramento Bee trophy race, nipping a Reno Ski Club squad by 4.8 seconds.

Reno was leading by a slim margin in the spectacular giant slalom test when Jim Baker slipped into the race gateway to await the starter's cadence count.

One minute and eight seconds later the day's swiftest run had been marked up.

The Squaw-Tahoe squad's combined time was 314.2 seconds, including runs by Lily Cushing and Bill Briner.

Reno's team ended the race with 319 seconds after rides by Joan Smith, Barni Davenport, Rusty Crook and Alan Ramsey.

The other 25 teams were out of contention during the final phases of the race.

Third place went to Sugar Bowl Ski Club No. 1 team, followed by squads representing Truckee Athletic Club, Squaw-Tahoe No. 2 and the Reno recreation department.

New Officers Will Be Seated At Lake Meet

KINGS BEACH—The next meeting of the Kings Beach PTA will be held at the Kings Beach School, Thursday, March 17, at 8 p.m. There will be an installation of new officers and a regular business meeting.

The speaker for the evening will be John Taft of Auburn. Taft is the child psychologist and supervisor of child guidance. He will also bring a film dealing with growth development of children. Since this is a topic pertinent to all parents and community members, we are hoping for a large attendance. Refreshments will be served following the meeting.

BASKETBALL

Continued from Page 1

get rolling against the Grizzlies. Tahoe-Truckee trailed at all quarter marks, 10 to 1, 23 to 16 and 46 to 23. Clayton Spinning led the home club scoring with 8 points.

The Junior Cubs and Grizzlies of the two intersectional rivals played a thriller as a finale to the season, as the visitors nosed out the Cubs, 52 to 53.

Floyd Cooper led the Tahoe-Truckee scoring with 15 points, with Vaughan and Cooke close behind with 12 and 9 points respectively.

During a special halftime ceremony, Karen Decker, the 1955 basketball queen, presented the high school's Annual Free Throw Trophy to the 1955 winner, Cecil Craddock. Craddock won the award as he hit 80 out of 100 shots in the final round to nose out Aaron Thomas, who counted 76, and Mike Vieu, who hit 77 out of the required 100.

ATTENDS CHAMBER MEET

Hal Welch, president of the Truckee chamber of commerce Friday attended the meeting of the state chamber at Sacramento.

The public is asked to attend and contribute useful articles to the rummage sale to be conducted by the W.S.C.S. in the basement of the Methodist Church on March 16 and 17. By telephoning 122 contributions will be picked up prior to sale.

Injured in Fall—

Mrs. Cliff Ellis is in Tahoe Forest Hospital with injury to her legs and back following a fall Saturday.

Mr. and Mrs. William Gautsche were Thursday visitors in Sacramento.

EYE OPERATION
TAHOE VISTA—On Wednesday Alice and Andy Sorensen went to San Francisco where the latter is scheduled to undergo another eye operation, one having been performed in Reno two months ago. All their friends are hoping for a successful result in the coming treatment.

CARD OF THANKS

My sincere thanks for the many kind messages from our friends during my recent stay in the hospital, they are appreciated.

From where I sit ... by Joe Marsh

Uses His Head Saves His Feet

Nobody around here can remember when Pop Turner wasn't our town's postman. He must have been toting that big, heavy mail-sack since Pony Express days.

That's why it's sometimes a shock to see him these days pulling his mail bag around in a "caddy cart," a sort of light wagon that golfers use so they don't have to carry their clubs.

"Folks sometimes holler 'fore' at me and ask me how my game is," Pop reports, "but I'm not ashamed to learn something new. Just wish I'd thought about these

golf gadgets years ago!"

From where I sit, it's good to see someone come up with a new wrinkle—keeps us from feeling too regimented. For instance, perhaps you've always felt that hot milk is the only thing to drink at bedtime. Then someday you meet a fellow who prefers a cold glass of beer. Well, that's his choice—and certainly he's entitled to it. We can't expect everyone to follow our old habits to the "letter."

Tarzan

by EDGAR RICE BURROUGHS

THE JUNGLE LORD HAS JUST HEARD AN INCREDIBLE ACCOUNT OF HOW A BAND OF APES ATTACKED THE NATIVE PEOPLE OF YALONGA.

GRIM AND DETERMINED, TARZAN CHOSE TO INVESTIGATE THE SOBBING YALONGA'S TALE AND VANISHED WITH THE APPROACHING NIGHT.

HIS BEAST-LIKE SENSES LOCATED THE SPOOR OF GREAT APES AS HE SPED THROUGH THE SHADOWY FOREST.

SOON HE FOUND HIS QUARRY PARTICIPATING IN A RITUAL SELDOM VIEWED BY WHITE MEN--

THE VICTORY DANCE OF THE DUM-DUM! THEY DANCED IN LEAPING FRENZY TO THE BEAT OF AN EARTHEN DRUM. YALONGA'S WARRIORS HAD BEEN CONQUERED!

BUT SUDDENLY THEY WERE STOPPED BY A HIDEOUS CHALLENGE. ELECTRIFIED, THEY NOW SAW A SAVAGE MAN-THING PLUNGE INTO THEIR MIDST!
